

New Chairman Orlando HamCationsm appointed.

After an outstanding and very successful reign as Chairman of the Orlando HamCationsm, Cindy Radice, KD4NLV, has left the HamCationsm Board for a well-deserved sabbatical.

Hamcationsm is an event that is growing over the years and is rapidly becoming the largest Ham Radio Event in the Southeast. During her tenure as Chairman, Cindy, KD4NLV, has guided HamCationsm to become a spectacular event, greatly anticipated by all Hams.

Over the years thousands of amateur radio operators have enjoyed HamCationsm as a result of the hard and enthusiastic work while Cindy was chairman.

She is an inspiration to the Orlando HamCationsm Board of Directors, providing guidance and leadership in the enormous task of organizing HamCationsm. From handling the commercial vendors, to tailgaters and reservations, as well as security, prize booth, RV, talk-in, tickets, finance, and public relations, she was able to manage activities and problems professionally, effectively, and always with a smile.

After five years Cindy would like to have more time for things other than radio. The Orlando Amateur Radio Club is very grateful for the exceptional job she has done over the years, not only for the OARC, but especially for HamCationsm.

Cindy, we wish you all the best and hope that this sabbatical will bring you all that you expect it to be. We are looking forward seeing you again in the near future. As for Hamcation, you will always be our Guest of Honor.

NEW CHAIRMAN

The OARC board has asked Peter Meijers, AI4KM to fill in the position of Chairman of the Orlando HamCationsm.
